# Commenting on the Business, Ms. Pallavi Bhatevara, Managing Director, said:

"We are one of the leaders to benefit from the transformation in diagnostic industry, with focus of government to provide best healthcare facilities to all. In the Interim budget, the focus has been to; 1. increase more medical colleges pan India, 2. Inclusion of ASHA workers and Anganwadi Workers and helpers in Ayushman Bharat Scheme. These policy measures would bring more people under the fold of public healthcare

Krsnaa diagnostics limited continues to play a major role in providing high-quality and affordable diagnostic services. The provision of high-quality and affordable diagnostic services stands as a fundamental pillar within the healthcare industry.

It is with great pleasure that I announce our successful execution of an agreement for the Assam Pathology tender, a significant opportunity that encompasses 10 Labs and 1,256 collection centers. This development significantly enhances our presence, covering all districts of Assam.

At present, Krsnaa Diagnostics is well-positioned to deploy 54 CT Scan machine, 24 MRI machine, establish 156 labs and set up 2,768 collection centers, all under various contractual agreements. These recent contract wins underscore the exceptional capabilities of our in-house teams, reflecting their proficiency in navigating the intricate bidding process, meeting all necessary requirements, and ultimately securing these contracts. As we embark on these projects, Krsnaa Diagnostics is actively expanding its footprint into new geographical regions, establishing a solid foundation for sustainable, long-term growth."

### Commenting on the results, Mr. Yash Mutha, Joint Managing Director, said:

"Krsnaa's exceptional service offerings, characterized by competitive pricing, has played a pivotal role in driving patient and test counts.

We strive to improve customer experience with exceptional healthcare solutions tailored to individual requirements. As part of our continuous improvement efforts, we are constantly exploring new testing capabilities to cater to the evolving needs of our patients and customers. We are aggressively embracing cutting-edge technologies, implementing Analytical tools for critical department such as Pathology, Radiology, Supply Chain & others to provide a comprehensive range of diagnostic services that meet the highest standards of accuracy and efficiency.

Throughout the first nine months of FY2024, Krsnaa achieved a noteworthy 28% year-on-year growth, resulting in Core Revenues amounting to Rs. 4,533 million. Wherein our normalized EBIDTA reached

Rs. 1,135 million accompanied by margins of 25 % and normalised Net Profit amounted to Rs. 521 million, with margins at 12%. This growth is attributed to, being the preferred partner of the government, increased awareness of Krsnaa as a b rand, state of the art infrastructure, maintaining high quality services & successful and timely implementation of our projectsKrsnaa as a brand, state of the art infrastructure, maintaining high quality services & successful and timely implementation of our projects.

We have been recently shortlisted by Maharashtra State government for providing MRI and CT Scan services at 17 districts in state. We are also working on various other tenders PAN India, which would be announced once there is more clarity on the same from the respective departments. We stand at the threshold of infinite possibilities. We remain resolute in our approach to adapt, innovate, and excel. We have charted ambitious plans to unlock opportunities for growth and expansion, ensuring that we continue to make a positive impact on people's lives and contribute to the advancement of the healthcare industry."
